## **New Jones Lang LaSalle App for iPhone Provides Mobile Access to Commercial Real Estate Research, Sustainability Trends, Social Media Channels and More**

*Download the real estate industry's most comprehensive app for free*

**CHICAGO, April 5, 2011** — Jones Lang LaSalle today unveiled the first app for iPhone® to provide easily searchable access to global commercial real estate research, as well as a range of social media channels for users to interact with Jones Lang LaSalle experts locally or around the world. The app, also available for iPad®, is free to download from the App Store<sup>SM</sup>.

“Now our employees, clients and others looking for leading-edge research and expertise on commercial real estate markets—or who need to find a Jones Lang LaSalle professional in their market—can get what they’re looking for in seconds, whether they are in the office or on the go,” said David Johnson, Chief Information Officer, Jones Lang LaSalle. “There are other commercial real estate apps, but nothing that provides the same scope and quality of information that ours offers.”

Users can customize the Jones Lang LaSalle app for iPhone to their geographic area of interest, and can also:

- Find out about Jones Lang LaSalle, its people, services and locations
- Access a full inventory of the firm’s latest global research
- Follow the industry-leading [Green Blog](#) showcasing the latest developments in commercial real estate sustainability
- Go directly to Jones Lang LaSalle’s social media channels like [Twitter](#) and [YouTube](#)

“Creating an app for iPhone is an important step in our ongoing efforts to lead the conversation on commercial real estate trends,” Johnson said. “In recent years, we have expanded our channels of communication to encompass [LinkedIn](#), [Facebook](#), [YouTube](#) and [Twitter](#), complementing our online presence at [www.joneslanglasalle.com](http://www.joneslanglasalle.com) and our media outreach, which can be found in our [Press Room](#).”
