Great Wall of Oakland *presents* "Thrill of the Chase"

Oakland, CA, June 1, 2011 -- This Friday (June 3) from 8pm-11pm the [Great Wall of Oakland](#) will be presenting "Thrill of the Chase", a show of 11 captivating screenings that take viewers into the natural world to watch as predators discover their prey and find adventure within the hunt.

"Don't be fooled - this is not a screening of films one would expect to see on a nature channel, but a series of artistic takes on what happens between those doing the chasing and those being sought," said Issabella Shields Grantham, curator. All eleven films differ wildly in their stylistic approach, as well as, the natural realms they explore.

This is a non-violent screening perfect for the whole family. Please see below for two selections from the show:

The Wall faces West Grand Avenue between Broadway and Valley Street, next door to Luka's Taproom and Lounge in Oakland's Uptown district. The [Lake Merritt-Uptown](#) and [Downtown Oakland district](#) associations, along with the Oakland Museum of California, are major sponsors of the Great Wall of Oakland.

For over three years, the Great Wall of Oakland has been curating shows of various types of video art including animation, computer-generated art, live-action film, documentary-style video and other innovative forms of art from artists worldwide.
